

# OVER THE COUNTER (OTCs)

## Medication Program

- Save time and money with Good Day Pharmacy's Over-the Counter (OTC) program!
- We will fill and deliver OTC products along with prescription medications.
- Our pharmacists will review OTCs, check for drug interactions, and package and label in a system to insure the right dose!
- Over 30 of the most common OTCs are \$2.49/month for most quantities!
