

## Support for Every Step – Durable Medical Equipment from Good Day Pharmacy

Good Day Pharmacy offers a wide selection of affordable rental and purchase options – all handled locally.

## Rent and Purchase with Confidence

Whether recovering from surgery, an injury, or preparing for temporary mobility needs, our rental program makes it simple to get high-quality equipment—without a long-term commitment.

### **Available Rentals:**

- Knee Scooters – Easy mobility while you heal
- Transport Chairs & Wheelchairs – Lightweight, comfortable options
- Walkers & Rollators – Adjustable, stable, and convenient

### **Available to Purchase:**

- Bath Safety Equipment – Benches, raised toilet seats, grab bars, and more
- Hospital Beds – Adjustable and easy-to-operate models available
- Crutches – Adult and youth sizes

# Compression & Bracing Solutions

Our staff offers personalized fittings for compression stockings and orthopedic bracing right in-store. Proper fit is essential for comfort and effectiveness—and we make the process simple.

## Compression Wear Options:

- Gradient compression stockings
- Arm sleeves and gauntlets
- Support socks for travel or daily wear

## Bracing Options:

- Knee, wrist, and ankle braces
- Back supports and posture correctors
- Maternity and hernia belts

## Why Non-Billable?

We keep costs low and service fast by offering cash-based options—no insurance delays or denials.

Get what you need today, at a fair price.

## Why Choose Good Day Pharmacy for DME?

- Locally owned and operated
- Compassionate, knowledgeable staff
- Personalized fittings and education
- Quality equipment you can trust
- Easy rentals—no insurance hassle
